

Thank you for purchasing the **Teixeira Tech Gusset kit** for your OEM Honda TRX 400EX or TRX 400X frame. Below are pictures with locations of the pieces in your kit. Teixeira Tech recommends that the installation of the kit be done by a professional welder for the best results.

Part numbers and quantities:

Teixeira Tech recommends additional welding to the frame for strength. These locations are circled in **blue**.

Part # 003 should be welded to the outside of the frame to make room for steering stabilizers.
